TELEGRAPH AND MAILS.

from California, Arkansas, Tennessee, Kentucky, New Hampakire, Connecticut, Missouiri, Indiana, Virginia, North Carolina, and Fiorida, voted year, New York, Ohlo, and Pennsylvania, were divided. The other States voted nay.

The Government displaces from English character, neither is there a prespect of an early settlement of the matter in dispute between that Government and the United States. The odistance afficiently is absorbed in the Central American question.

There is no laformation whatever to verify

Mr. Crampton has received fresh instructions not to absent himself from Washington, as here-

sugar crop undoubtedly short.

New Atlantie Line.

New Atlantie Line.

A new line of screw propellers has been formed to run between London, Cork and New York, the first of which, the Broads, will leave York, the first of which, the Broads, will leave New York on the lot of April.

The Basse, the accord of the line, will leave London on the let of April.

Next year the Company will increase the number of vossels on the line, and will leave London and New York weekly.

The Futures.—We looked in at the jail yested day, and annoyal other prisoners naw the fugitive sizes. The two men were locked up.

Godden a steady melting rain set in, with a fair prospect of hasting until the dreaded floods seak out the stub-born ice and frost, and sweep in turbid torrents down hibide and yalley. Writer "thrust its icy-hands into the may of lake and river" on the 17th of December, and held his gripe until yesterday, when a stronger enemy science him by the freck, and is now compelling him to relax his grasp.

People are hard to please. At first, every one was sighing for snow and solid frost. They came; but long before they hid good bye, every one was praying for a change of weather, replaining at the ever-fasting snow, and greaning ut the searching, plaching frost. Celebrated KID GLOVES, 100 PIECES All Wool Merino Plaids, Or unit entre stock will commence on MONDAY, FEBRUARY 4TH, and continue until the first day of March. A credit of in one to twelve months will be given for approved t'aper everlasting snow, and greaning at the searching, pinching frest. For inouths to some we will have nothing but rain, deet, dush and mud, ancle—aye, have deep. Well, people cannot compain that they have been taken by surprise. They have had ample time for preparation, and if they are caught naphing they can blame none but themselves. The river men have been busily engaged for some days in cutting away the ice about their vessels, and preparing for a food. This is a wise precedution, when the value fall, and the snows melt, a great and reathing volume J. D. SHERMAN & CO., Jac2-37-2m 120 LAKE 420 CLARE ST.
